

PROJECT PLAN - MILESTONES

Please upload a project plan in XLS or PDF format that includes details relevant to each stage of the project and milestones for each phase of the project, cover the entire project period and align to the proposed project budget. Though not an exhaustive list, the plan should incorporate the following:

- a. Preconstruction Planning - Engineering
- b. Permitting - Leasing - Licensing
- c. Construction
- d. Equipment Installation
- e. Project Implementation
- f. Adoption and Marketing Outreach
- f. Operational Validation Plan

If necessary, consolidate multiple files into a single .zip file. Applicants may use the template [posted online](#) or their own.
