# ALINEA

*"the beginning of a new idea"*

TRISTIAN  
GRIFFIN  
DANCE COMPANY

**CHOREOGRAPHY:**

Tristian Griffin

**MUSIC:**

Philip Daniel

**POETRY:**

Ternace 'T.L. Poet' Saunders

*In a life full of transitions, we spend a great deal of time learning how to delegate and navigate through them. Yet rarely do we talk about the inception of those conversions. The characters in ALINEA explore "the beginning of a new idea," and start to discover that it is not always about the process or how you finish. It is about how things are set into motion in the beginning.*
