

TECHNICAL PROJECT SUMMARY TEMPLATE

ORGANIZATION:

PROJECT NAME:

1. Please provide an overview of the proposed improvements and scope of the project that clearly demonstrates preliminary plan completion, outlines a comprehensive understanding of the project and a solution capable of addressing the need.

2. In terms of infrastructure installation, please explain why this area was chosen for the project and is unlikely to be served without grant funding.

3. Include an explanation of terrain, population density or other factors contributing to the overall cost of the project.

4. Include the service level options, including latency the project is intended to provide.

5. If 100/100 Mbps cannot be achieved to all locations in the proposed service area, please provide a justification of why only 100/20 Mbps is possible (required).
